

SODIUM SULPHATE PLANT

CONDENSATION

Primary condensate tank

Rauma Eco Planning secondary condensate tank 1,
Serial No. 451 (1991)

Rauma Eco Planning secondary condensate tank 2,
Serial No. 452 (1991)

Alfa Laval condensate tank, Serial No. 30100-43494

(1991)

Satametalli condensate tank, Serial No. 446 (1991)

Rauma Eco Planning washing water tank, Serial No.
977 (1992)

Rauma Eco Planning dissolution tank, Serial No. 972
(1992)

CRYSTALLIZATION

Line 4 crystallization tanks no. 1 & 2
Line 4 crystallization crystal tank
Line 4 crystallization feeding tank
Line 6 crystallization tanks no. 3 & 4
Line 6 crystallization crystal tank
Line 6 crystallization feeding tank
Line 7 crystallization tanks no. 1, 2 & 3
Line 7 crystallization crystal tank

CALCINATION & DRYING

Rauma eco planning calcination melting tank, Serial No. 972 (1992)
Rauma eco planning calcination melting tank heater 1, Serial No. 441 (1991)
Rauma eco planning calcination melting tank heater 2, Serial No. 442 (1991)
Rauma eco planning calcination slurry tank, Serial No. 975 (1992)
Satametalli calcination calcinator 1, Serial No. 443 (1992)
Satametalli calcination calcinator 2, Serial No. 444 (1992)
Satametalli calcination calcinator 3, Serial No. 445 (1992)
Rauma eco planning calcination overflow tank, Serial No. 974 (1992)
Crystallization wet concentrators 1, 2 & 3
H-400 crystallization centrifuges 1 & 2
Escher Wyss P-500 crystallization wet centrifuge 3
Crystallization spare centrifuge
Imatex crystallization cold acid tank 6, Serial No. 90 (1994)
Imatex crystallization cold acid tank 7, Serial No. 91 (1994)
Imatex crystallization cold acid overflow tank, Serial No. 44
H-400 calcination centrifuges 4 & 5
Escher Wyss P-500 calcination dry centrifuge 6
Ch/f1-4200 1 dryer (1980)
Flt 1.65 2 dryer, Serial No. 110.572.80 (1980)
Dryer cyclone
Dryer middle tank
Micro pal dryer dust filter, Serial No. 3421
Transfer scales and salt transfer conveying system

Salt Storage Silos

120m³ capacity cylindrical bulk salt storage silo with road transport loading connection, dust filtration, pressure relief valves on steel supports - Salt storage tank No. 3

120m³ capacity cylindrical bulk salt storage silo with road transport loading connection, dust filtration, pressure relief valves on steel

supports - Salt storage tank No. 4

225m³ capacity cylindrical bulk salt storage silo with road transport loading connection, dust filtration, pressure relief valves on steel supports - Salt storage tank No. 5

225m³ capacity cylindrical bulk salt storage silo with road transport loading connection, dust filtration, pressure relief valves on steel supports - Salt storage tank No. 6
